### **Primary School PE and Sport Funding School Statement 2014/15**

Everything we do at Southway Junior School is driven by a desire to provide the best educational experience for our children.

We acknowledge the role that PE has in the health and well-being of our children. We consider that a broad and balanced curriculum and a variety of extra-curricular activities has a positive influence on the concentration, self-esteem, academic achievements and attitudes of our children

The Government is providing additional funding of £150 million per annum for academic years 2013-2014 and 2014-2015 to improve provision of Physical Education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary schools. The funding is ring-fenced and can, therefore, only be spent on provision of PE and sport in schools.
