## Year 6 Homework

Dear Parents/ Carers,

Thank you for your continued support; the children have returned to school very settled and are rising to the demands of Year 6.

We would like to clarify Year 6 homework.

The 1 hour suggested timing is for the CGP workbooks and spellings.

Your child needs to practise the spellings using their chosen strategy as well as writing a minimum of 2 of the words in a sentence.

Reading: Please encourage your child to read as regularly as possible and they must complete 3 journal entries a week.

Thank you,  
Year 6 Teachers

*Learning and achieving together*
