Dear Parents and Carers

Re: Sex and Relationships Education (Year 6)

As you will know, sex and relationships education (SRE) is an important part of our PSHE (Personal, Social and Health Education) curriculum at Southway.

The lessons for Year 6 will be introduced as 'Puberty & Changes' to the children. The content covered in the lessons will be age appropriate and will primarily cover the following topics :

- Friendship
- Changes to boys and girls, including menstruation & wet dreams
- Understanding how babies are made and born.

There will be an opportunity for Year 6 parents and carers to see the films that will be shown prior to them being viewed by the children. The session will also be an opportunity to ask any questions you may have about the curriculum.

o **Monday, 21st May at 3.20 pm in Year 6 Classroom – Pankhurst Class**

We would be grateful if you could complete and return the slip below indicating whether you will attend the session. Separate facilities will be available for children to be supervised so please also let us know how many children will be present so that we can ensure the correct adult : child ratio. Should these times be inconvenient, or should you have any other questions or concerns, please contact your child's class teacher.

Yours faithfully

Mr P Newbold
Headteacher

Under the Education Act 1993, children can be withdrawn only from the part of sex and relationship education that is outside the compulsory elements of the Science National Curriculum. This request for withdrawal must be made by the parents in writing to the Headteacher.

Please return to the school office by Tuesday 8th May 2018
