

We'll Meet Again...

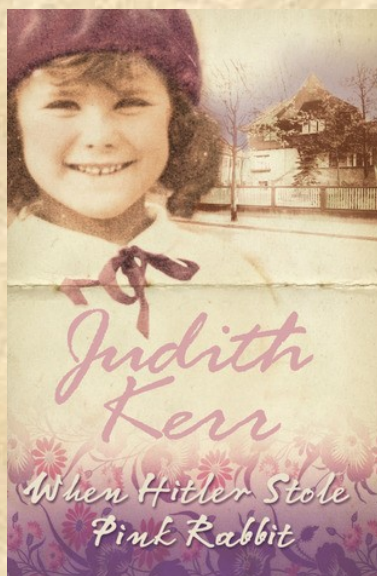

In an exciting new topic, during the spring term, we will be learning all about World War II. The children will be immersed in many hands on experiences to take them back to life during WWII.

English: We will be reading 'Blitzed' by Robert Swindells (please don't read prior to the topic) and writing our own stories in response to this inspiring text.

Art and DT: In art we will be creating our own Blitz images of London. In DT we will be cooking with rationed supplies and experiencing what people of war time Britain ate.

Topic: During this topic we will be finding out why Britain went to war, which countries were involved, why children were evacuated and celebrating VE day as they did in at the end of the war.

What will we be learning in each subject?

Our focus at Southway is very much on a creative curriculum. We aim to develop the children as independent learners and give them opportunities to lead the direction of a learning journey whenever possible. This requires some flexibility within the curriculum but we will cover the following skills over the course of the summer term.

Maths: We will continue to teach the new curriculum maths, including fraction and decimals, geometry, and problem-solving skills.

Science: In science we will learn about the properties of materials.

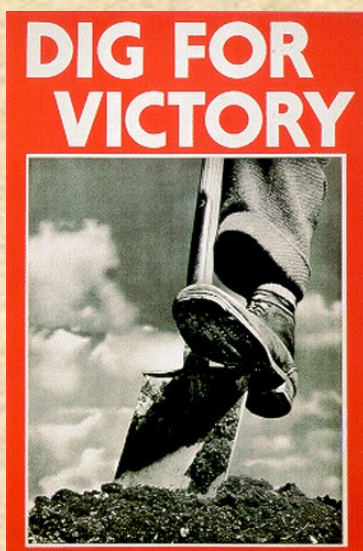

ICT: We will be developing our skills using Microsoft Powerpoint to create our own multiple choice quiz about WWII.

RE: We will be learning about Judaism.

MFL: We will be having conversations in French.

PE and Games: Our focus will be the development of invasion games skills.

PSHCE: We will be going for personal goals.

What can you do at home?
