SOUTHWAY JUNIOR SCHOOL

LEARNING AND ACHIEVING TOGETHER

# NEWSLETTER

Dear families

As part of our continual drive for improvement I wanted to share with you some of the work being carried out over the Easter break. Our Year 3 outdoor classroom is being transformed into an underwater sea world by the artist who created the mural for our climbing wall. We are also having a rainforest mural created outside Hawking class. This extends to turning the floor in to a beach with rock pools. We are also planning a complete renovation of our dipping pond which will take place in the next few weeks. Part of this will also include an all weather path from school to the pond area allowing children and staff access all year round. This is all very exciting.

On a separate note we have established a partnership between ourselves and a local school and I wanted to share with you the email I received shortly after from the Headteacher. 'I truly enjoyed my visit to your school yesterday – thank you for inviting me. What I took away with me was the vibrancy of the learning environment, both in the classrooms and the corridor displays. Equally there was an industrious hum of activity in every room. The pupils were diligent, self-managing and well-mannered and the ones I spoke to were clearly very proud of their school. We are excited to be able to share professional practice with you and learn from each other...I left feeling rejuvenated! Thank you to you and your staff but particularly to the children.' This is feedback we should all be very proud of and it genuinely reflects the school as I see it. Thank you for your continued support.

*'You have to speak from a place where all is possible. When you speak from a place where there's limits, you've already set yourself up to fail.'* **Anthony Joshua**

Have a lovely Easter break Mr P Newbold

# What's been going on?

**Gabriel (Einstein ) & Isla (Rowling),** were 2 of the recent winners of our Spelling Bee competition. Here they are with their trophies.

On Tuesday, a group of Southway's finest musicians headed to Manor Field for the **Burgess Hill schools Orchestra Morning**. For some of them it was the first time they had ever played as part of an orchestra. During the morning they played a range of pieces including a rather spooky *Ghost Train* composition. They did brilliantly and **Megan and Amira** even had the chance to conduct as well! A great time was had by all!

**Y5** visited **Newhaven Fort** earlier this month, as part of their History journey. They learned about the important part it played in the country's defence during World War II.

Our Netball Teams have been in action recently at MSA Hi-5 Tournaments at Downlands School. Both teams played really well, with our 'B' Team (pictured right) getting through to the semi-finals.

## Appointments / Illness

Please try to notify the school office in advance of any appointments, where your child will either not be in school first thing in the morning, or needs to be collected during the school day. If your child is unwell during the day, and needs to go home, please let us know if a third party will be collecting them, instead of a parent. Thank you.
