

Pupil Premium Grant 2017/18

What is Pupil Premium?

The pupil premium is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers. In the 2017/18 *financial* year, schools received £1,320 for each eligible primary-aged pupil. The Pupil Premium Grant is allocated to schools on the basis of the number of students on roll known to be currently eligible for Free School Meals (FSM) or who have claimed in the last 6 years (known as the Ever 6 FSM), as well as students who have been looked after continuously for more than 6 months by the local authority (CLA – Children Looked After) or children whose parents are currently serving in the armed forces.

Schools must decide how the Pupil premium money is best spent and all schools are required to report on the amount of funding allocated and how this is being used.

Pupil Premium at Southway Junior School

Principles

We have allocated the Pupil Premium Grant to make sure all children have their needs met through quality first teaching, additional teaching assistants and intervention groups for academic progress, opportunities to access enrichment activities and effective pastoral and welfare support. We carefully track the impact of this funding on the attainment, progress and welfare of our disadvantaged children.

Spending 2017/18

Objectives

- To raise the attainment and rates of progress of pupils at risk of underachieving in reading, writing and maths.
- To diminish the difference in attainment between pupils eligible for pupil premium and non-pupil premium pupils in reading, writing and maths.
- To ensure that all pupils can access curriculum enrichment activities.
- To ensure pupil's emotional health is supported so that they will enjoy and engage with school and demonstrate effective behaviour for learning.
