

# SOUTHWAY JUNIOR SCHOOL

LEARNING AND ACHIEVING TOGETHER

## NEWSFLASH

Y4 had a fantastic morning at the Hindu Temple in Crawley this week, where they learned all about Hindu customs & religion. **Miss Nicholson** even got to dress up in a traditional Sari.

### World Book Day

The children (and staff!) enjoyed dressing up as their favourite book character yesterday. There were extra literacy-based activities, and the children had chance to win a book token in our World Book Day Quiz.

### Science Week

Each Year Group took part in extra science-based tasks & activities as part of our Science Week last week. Special thanks to the staff & students from the BHA, who helped supervise some exciting experiments for each of our classes.

### New Premises Officer

We are very pleased to announce the recent appointment of our new Premises Officer, **Mr Le Gonidec**. Many of you will already have spotted him in & around the school, & we are delighted that he has joined our team.
