SOUTHWAY JUNIOR SCHOOL

LEARNING AND ACHIEVING TOGETHER

NEWSLETTER

Dear families

Having just returned from the year 6 French residential trip to Hardelet Plage I am reminded of the invaluable experiences our children gained whilst away from home for five days. Not only is it an opportunity to learn new skills but it also allows new friendships to develop and confidence to grow. Memories are made that will last a lifetime.

Amongst the experiences this year were visits to the largest aquarium in Europe; a visit to La Coupole, a museum where V1 and V2 rockets were manufactured during World War II; a visit to the market in Le Touquet to buy local produce and last but not least opportunities to spend plenty of time down on the sandy beach having fun.

It can sometimes be forgotten that our staff give up their own family time to look after someone else's children for five days and be on call at all times. I would like to thank all staff for their hard work, great organisational skills and relentless cheerfulness whilst being on call 24/7.

'The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves.' **Steven Spielberg**

Kind regards Mr P Newbold

Please be reminded that the next instalment of £50 is now due for next year's French residential trip. If your child is booked to go on this trip, you will need to have paid a total of £200 by the end of September. Thank you.

Coats / Winter PE Kits

Now that we are heading into Autumn, please make sure that your child brings a coat to school each day. Children go out to play at break & lunchtime, unless it is really wet, so may well need a coat during the day. Please also provide them with a plain black or navy sweatshirt & a pair of black/navy tracksuit trousers for outdoor PE.
