STONE AGE TO IRON AGE

This term, we shall also have a 2 week mini topic, in which we will be learning about the changes to houses, tools and lifestyles, during the stone age and iron age, and comparing them to today.

As part of this, we are excited to have a visit from 'The History Man' to help us bring this topic to life.

BLOOD, BONES
AND BODY BITS

YEAR 6 SUMMER TERM

IN EACH SUBJECT, WE WILL BE LEARNING...

Our focus at Southway is very much on a creative curriculum. We aim to develop the children as independent learners and give them opportunities to lead the direction of a learning journey whenever possible. This requires some flexibility within the curriculum but we will cover the following skills over the course of the spring term.

In Literacy we will be studying 'Pig Heart Boy' by Malorie Blackman and will write persuasive texts and balanced arguments.

In Science we will be learning about the human body and healthy and unhealthy lifestyles.

In Computing we will be creating comic strips and movie making.

PE lessons will be swimming, learning tennis and cricket skills and developing skills across a variety of athletic disciplines.

Art lessons will focus on portraits.

In French we will be learning language relating to the human body and feelings.

In music we will be practising performance skills to incorporate in our Production.

THIS TERM, WE SHALL EXPERIENCE...

This term at school we are going to enrich the learning with...

Year 6 Production	Free
Year 6 Leavers Assembly	Free
Cooking	£0.50
Chessington World of Adventures	£20.00
The History Man	£5.50

Total: £26.00

*Approximate cost – pricing will be confirmed once all arrangements are confirmed.

SOME OF THE QUESTIONS WE HOPE TO ANSWER THIS TERM ARE...

How does the human heart work?

How long can the body survive for without food or water?

How do we cope with change?

How do artists express their views?

What makes a good performance?
