# SOUTHWAY JUNIOR SCHOOL

LEARNING AND ACHIEVING TOGETHER

## NEWSLETTER

Dear Parents and Carers,

We are now five weeks in to the new school year and the children are well settled in to their new classes. The weather has been kind to us and teachers have taken the opportunity to take learning outdoors, using our bird hide, eco pond and storytelling garden to good effect. Our year 6 children have spent a day learning new skills including orienteering and shelter building and no doubt feel equipped should they ever find themselves lost!

Our House Captains have now chosen the four charities they would like to raise money for this year. These are the *RSPCA*, *CLIC Sargent*, and the *Rockinghorse* appeal. The children are in the process of agreeing the last charity. Last year our chosen charities benefitted to the tune of over £320 due the generosity of our parents and the hard work of the staff and children.

We are in the process of completing the LaRC (Learning and Resource Centre) which will provide the children with an inspirational space to read, research and discover. Part of this project includes a whole wall mural created by Chris, our artist who painted our climbing wall and rainforest landscape. He will also be completing the under cover area outside the year 3 classrooms.

I would like to thank all of the parents who have generously contributed to our Harvest food collection. The Burgess Hill Food Bank will be very grateful. We are running out of space, however, we intend to extend the deadline for another week due to your continued generosity.

*"No one has ever become poor by giving."* — Anne Frank

Have a lovely weekend Mr P Newbold

Thanks to Mrs Tullet for escorting them, & also to those parents who helped with transport.

# What's Been Happening?

Y6 children enjoyed a fantastic week in **France** at the end of last month. They made several visits to the beach, made croissants in a boulangerie, went to a French school & visited the Nausicca Sea Life Centre.

Y4 had a visit from the **Rainbow Theatre** this week. They all dressed up in Victorian costumes, and took part in a special workshop to learn about this period in history.

The recent bake sale in aid of **Macmillan Cancer Research** raised a fantastic **£164.00** for the charity. Thank you to everyone who made or brought in cakes to sell, & to all who made a purchase. Thanks also to Mrs Davis & Mrs Tubbs, who helped our Y6 children make some delicious cakes & bakes to sell.

## What's Been Happening?

This is the amount of the latest donation received from the H S A, which paid for a new heater for our swimming pool and the all-weather path to our eco-pond.
