

Dear Families

It was wonderful to see so many parents attend parent consultations last week. I am sure you will have appreciated the opportunity to visit the school and meet teachers face to face, after such a long period of absence. It very much felt like a slow but steady return to some semblance of normality. Please don't forget that should you have anything you would like to discuss at greater length then you are able to contact your child's class teacher to arrange a meeting at any time. Many of you also took the opportunity to look around the school and see some of the changes and improvements that have taken place over the last two years. Next term I am planning on offering small group tours of the school in action (pandemic permitting) and available dates will be sent out in good time. I do hope you are able to take the opportunity to come along I and look

forward to seeing many of you then. We can now look back on a busy and productive term, although I can't believe it has gone by so quickly.

You will have received our half termly newsletter, describing many of the wonderful curriculum opportunities the children have experienced. There will be plenty more to come next term.

Finally I would like to thank the staff for their hard work and commitment this term, the governors for their dedication to the school and to all the parents who have continued to support us.

Don't get too comfortable with who you are at any given time - you may miss the opportunity to become who you want to be. **Jon Bon Jovi**

In the meantime enjoy the weather and have a lovely Easter break.
Mr P Newbold

Dates for your Diary
