

# Frozen In Time

Year 6  
Autumn Term

## What will we be learning in each subject?

In English, we use our Weymouth trip and work on polar exploration as

inspiration for a range of writing.

In science we will be learning how forces affect how objects move as well as considering how living things adapt to their environment.

In computing, we will be working with PowerPoints including hyperlinks and special effects.

In PE lessons we will be creating a dance routine, and developing our gymnastics skills. Games sessions will focus on invasion games.

In art, we will create polar landscape paintings inspired by the artist Frances Hatch. In DT, we will be building complex LEGO models, as well as making soup.

In geography, we will be investigating global biomes and vegetation belts, global warming, climate change and studying mountains.

In RE, we will be learning about the religion of Islam.

In French, we will be following the Rigolo programme.

In music we will be exploring rhythm and song cycles.

This term, we shall experience...

Soup making - Cooking £0.50

An Antarctic Survival Day (including climbing wall) £6.50\*

AMEX stadium £15

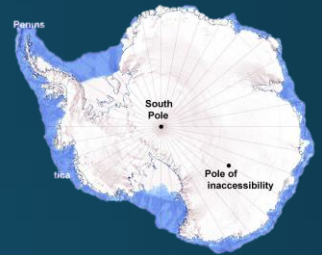

Total:

£22.00\* \*Approximate cost – pricing will be confirmed once all arrangements are confirmed.

Key dates for your diaries...

Weymouth residential: 13th — 17th September

Bikeability: 20th September — 1st October

Some of the questions we hope to answer this term  
are...

How is the climate in Alaska different/similar to the UK?

Where are the world's highest mountains?

What were the achievements of famous polar explorers?

How do modern day mountaineers survive in hazardous  
conditions?

What is the impact of global warming on polar regions?
