SOUTHWAY JUNIOR SCHOOL

LEARNING AND ACHIEVING TOGETHER

NEWSLETTER

Dear families,

Last week our current year 6 children completed their SATs and we couldn't have been prouder of them. They approached what could have been a stressful time with intelligence, dignity and a spirit of optimism. I don't believe they could have done any better or been any better prepared by the teachers and support staff. I would like to thank not only the year 6 team for their hard work this year but also acknowledge the teachers and staff that have taught the children for the past three years too. Furthermore I would like to thank the admin staff and Mrs Carter in particular for her diligence and thoroughness in making sure the paperwork was correct. Finally a big thank you to our trainee teachers who supported the children all week and the governors who invigilated the tests. All in all it was a brilliant team effort.

We were grateful to receive so many positive comments, emails and cards from parents of year 6 children and I am aware that many parents have taken the opportunity to read and discuss the following BBC article on the purpose of SATs. <http://www.bbc.co.uk/news/education-44126030>

This struck me as a well balanced and proportionate article and it acknowledged that a school is far more than a set of numbers at the end of year 6 (something that Ofsted is now beginning to realise too). We have worked hard over the past four years to provide our children with confidence, self belief and the resilience needed to meet the inevitable challenges that will face them in the future. We will remember the children for the individuals they are and not whether they met age expectations in reading, writing and maths.

What's been going on?

Despite the rain, **Year 3** thoroughly enjoyed their trip to **Butser Ancient Farm**! The children participated in a variety of activities, which helped to immerse them in their Roman topic. They even got to keep their handmade rings - making this activity a firm favourite!

The Southway Tag Rugby Team took part in a tournament last month. They played really well, despite the pouring rain!

Year 6 had some well-earned fun, following their hard work for SATS. They enjoyed a visit from Sir Teachalot to learn about the Stone age, and then had a fantastic day on their trip to Chessington.

Out of School Achievements

Chloe Wilson from Picasso recently ran in the Mid Sussex Mile event. Here she is with her medal.

Lucy Larcombe & Ollie Boyett (of Turner Class) both play for B.Hill RFC. Lucy was awarded the 'Coach's Player' trophy, & they both received medals for their contributions this season.

Ollie Boyett was in action again, this time with team-mate **Caden McNaboe** (Dali). Ollie was awarded a trophy & they both received certificates from Southdown FC.

Louie Hallett (Dali) & **Hayden Purnell** (Shakespeare) have both been working hard in their swimming lessons & have been awarded their Level 5 certificates & badges.
