LEARNING AND ACHIEVING TOGETHER

# NEWSLETTER

Dear families,

Welcome back to a new term. I hope you all had a restful and enjoyable break with your families. I certainly took the opportunity to take a breath and catch up with friends and family. Despite the cold weather we have returned with renewed enthusiasm and the children have already been taking part in some wonderful learning activities. I am constantly impressed by the inventiveness and sheer effort that all of our teachers put into providing the children with memorable experiences. Year 3 have been learning how to sail the seven seas and what life on board a pirate ship would have been like. Year 4 made (and no doubt enjoyed eating!) their own chocolate using some exotic taste combinations. Meanwhile year 5 were evacuated to the countryside as part of their WW2 topic, experiencing life as a child back then. Thank you very much for supporting your children in the dressing up days. It really does allow them to be immersed in their learning and feel part of something special and exciting.

This week, as part of my role in mentoring newly appointed Headteachers, I have visited the Headteacher of a local junior school and as a result we have agreed to work together on further improving teaching between both schools. Our staff are looking forward to hosting their teachers this term and having the opportunity to visit another setting to see what they can learn. We are determined to continue improving and remain resolute in our determination to be the best school possible.

In the meantime have a lovely weekend Mr P Newbold

# What's been going on?

**Our A Team** competed in a tournament hosted by Crawley Town FC. Our boys played some really beautiful football and won three out of the four matches they played in the league, drawing the fourth. This put us top of the league, with schools from all over the Crawley area competing. There were some stunning goals from Jake and Archie, along with some brilliant saves by Ollie. Luka and George held strong in defence and Max made some brilliant runs forward. Tom and Harvey held the ball nicely up front and everyone played brilliantly as a team. Unfortunately, after winning the league, we were knocked out by the last penalty kick, after drawing the semi-finals. Well done boys!

**Year 4** began their 'Mysterious Maya' learning journey by designing their very own flavoured chocolate inspired by the Maya! Using a Bain Marie and other equipment, the children made chocolates tasting of: chilli, ginger, mint, berry and orange, which they all subsequently tried! Afterwards, the children voted on their favourites to create raw data for statistics in maths. Chilli was their least favourite (unsurprisingly)!

A warm welcome to **Arthur**, a very friendly Pets as Therapy (PAT) dog, who has been coming in to school every Wednesday, to help children with their reading. Here he is with **Finley** from Hawk-ing Class.

Ahoy! **Year 3** had a wonderful Pirate Day on Monday! We all had fantastic outfits on and were ready and raring to go. We went on a treasure hunt, chose our own pirate names and even created our own treasure map! At pirate training we stole treasure, sailed a galleon, climbed the rigging and even walked the plank! We finished the day by singing a hearty sea shanty and we received a certificate to confirm our pirate status!
