# **SOUTHWAY JUNIOR SCHOOL**

LEARNING AND ACHIEVING TOGETHER

# **NEWSLETTER**

Dear families,

*'Our posturings, our imagined self-importance, the delusion that we have some privileged position in the Universe, are challenged by this point of pale light. Our planet is a lonely speck in the great enveloping cosmic dark. In our obscurity, in all this vastness, there is no hint that help will come from elsewhere to save us from ourselves. The Earth is the only world known so far to harbor life. There is nowhere else, at least in the near future, to which our species could migrate. Visit, yes. Settle, not yet. Like it or not, for the moment the Earth is where we make our stand.'*

These are the words of Carl Sagan, an American astronomer, cosmologist, astrophysicist, written back in 1990. I have always found them to be deeply moving and a reminder about the fragility of the planet we live on. Last week we had a 'no electricity day' at school which was powerful in so many ways. It allowed us to bring to the attention of our children the ways in which they can make a positive difference to their own futures and also bring to their attention how time is running out to put things back on an even keel. Thank you to all the parents that took the time to contact me in support of this initiative and provide such positive feedback. We now intend to repeat this successful initiative next year, alongside other events run by our children.

*'There is no question that climate change is happening; the only arguable point is what part humans are playing in it.'* **David Attenborough**

Have a lovely weekend Mr P Newbold

A huge thank you to our dedicated band of parents who work tirelessly to organise fundraising events on behalf of all parents.

As a result of this volunteering work the school has been able to purchase a brand new swimming pool heater that has allowed us to keep our pool open this term. Without this generous £4,500 contribution the pool would have been closed.

Future projects currently being planned for include a new all-weather path linking the school to the environmental pond and a new market garden area for children to grow vegetables.

If you are able to spare a few hours to volunteer or you have any ideas about future projects just contact the school office on [parentline@southwayjunior.co.uk](mailto:parentline@southwayjunior.co.uk)

**Katie** (Dali), **Oliver** (Rowling), **Filly** (Hawking) & **Aleyna** (Churchill) are the lucky winners from our recent Book Raffle. They were each given a copy of either 'Race to the Frozen North', or 'When we were Warriors'.

Here are the 8 swimmers from year 6 who attended the **Robin Lowe Primary Schools Relay Gala** last weekend. For many of them it was their first swimming competition, and they performed brilliantly and had a great time! From left to right at the back are **Max, Josh, Michael, & Oliver**. At the front left to right are **Darcey, Maizie, Phoebe** and **Chloe**. **Miss Risby & Mrs Tubbs** are very proud of them all!

Last week, **Mrs Parnell & Mrs. Jones** took the **Book Club** children to meet **Janina Ramirez** author of 'Riddle of the Runes'. They chatted to her, had books signed and listened to her presentation about her writing process, inspiration and love of history. Her book is one of the 4 shortlisted children's books for the West Sussex Children's Book Award 2019 that Book Club is reading and judging.
