

ANTI-BULLYING POLICY

Approved: January 2019
Review date: January 2022

We are a school that strives for individual children to be confident, independent learners, happy, successful and able to play a full part in their community.

We aim for Inclusion to be at the heart of our school, and parent/carers are encouraged to have regular contact with staff.

We value all aspects of our children and are proactive, practical, and considered with our support and interventions. We provide an environment for all children to be safe, and learn to keep themselves safe.

Bullying

Bullying is deliberately hurtful behaviour repeated over time, where it is difficult for those being bullied to defend themselves

We do not tolerate bullying of any kind at Southway Junior School.

Any incident of apparent bullying is investigated.

Bullying is something that happens more than once to the same person. Something that happens once may be mean and hurtful but it is not necessarily bullying.

Introduction

In 2003 OFSTED published "Bullying effective action in secondary schools". This was followed by DfES guidance for schools under two headings: "Don't suffer in silence" and "Bullying – a charter for action". This policy reflects this guidance.

DfE guidance defines bullying as actions that are meant to be hurtful and which happen on a regular basis. Bullying can be direct or indirect.

Southway Junior School is committed to working with staff, pupils, parents and carers to create and maintain a school community where bullying is not tolerated. The school anti-bullying policy has been developed with due regard for our duties and obligations under existing legislation and public sector duties for the safeguarding and wellbeing of all our pupils and we will take all steps to ensure their safety.

We therefore do all we can to prevent it, by developing a school ethos in which bullying is regarded as unacceptable. This policy aims to promote the understanding that bullying is usually caused by discontentment / unhappiness in the aggressor.

Preventing and responding to bullying incidents

Prevention of bullying

Individual classes will address issues around bullying throughout the year in circle or discussion times.

The school works hard to ensure that all pupils know the difference between bullying and "falling out".

The school works with children who have concerns with staff running circle of friends groups and supports peer mediation.

Response to bullying

Bullying may be reported by a child, a parent / carer or member of staff. In some cases a child may admit to a member of staff that they have bullied another child. All reported incidents of bullying must be investigated and taken seriously by staff members.

Older children may be asked to write a report themselves. Where appropriate the wishes of the child will be taken into account before any further action is taken.

Learning and achieving together

The Headteacher or a member of the leadership team will take time to discuss the issues with the victim of bullying and suggest strategies on how best to deal with the situation.

Strategies to support a victim of bullying will be put in place by staff. These may include a buddy from an older class, TA support at lunchtime or the opportunity to talk regularly to a member of staff. Parents / carers will be informed.

Staff will take time to discuss the issues with the bully and if appropriate carry out relevant sanctions.

It will be made clear to all the children that bullying will not be tolerated.

If the incident is not too serious, a problem solving approach may help. Each child must be given an opportunity to talk and the discussion should remain focussed on finding a solution to the problem and stopping the bullying reoccurring; where possible the pupils will be reconciled. The Headteacher, the leadership team and other appropriate member/s of staff will monitor the situation closely afterwards.

Time is spent talking to the child or children who have done the bullying, explaining to them why their action was wrong and how they should change their behaviour in the future. When appropriate we will invite the children's parents to school to discuss the situation. The school will try hard to support the offender through mentoring and by setting up home school link systems, working with parental support.

In extreme situations the SENDCo or Headteacher may contact external services, for example the Learning Inclusion Support Team or Educational Psychologist.

If the incident is decided to be bullying or is serious, parents will be informed and asked to come into school to discuss the issues. The Headteacher or SENDCo may contact outside agencies for support. In some cases exclusion may be considered. Records of bullying are kept during the child's stay at the school.

All incidents of bullying are recorded.

Recording and reporting bullying

When a possible incident of bullying is reported it must be recorded on the school's behaviour log form. This will be the responsibility of the staff member concerned. The Headteacher must be informed.

All suspected incidents of bullying will be discussed and reviewed at Leadership team meetings.

If after investigation it is decided that the incident is a bullying incident the Headteacher or a member of the leadership team will record the incident on SIMS on the child's permanent

Learning and achieving together

record. All such incidents will be followed up by a member of the leadership team. If the bullying includes racist abuse the Headteacher must be informed and the incident will be recorded in the racial incident file. All such incidents will be followed up by a member of the leadership team.

Governors will receive regular updates through the Headteacher's Termly Report to Governors which is reviewed at the Teaching, Learning & Staffing Committee. The Chair of Governors will be informed of any serious incidents of bullying.

Monitoring and review

The anti-bullying policy is the Governors' responsibility and they review its effectiveness annually.

They do this by examining the school's bullying incident file where incidents are recorded and by discussion with the Headteacher. Governors analyse information for patterns of pupils, places or groups. They look out in particular for racist bullying or bullying directed at children with disabilities or special educational needs. The information reviewed by Governors does not include children's names.

This policy is monitored on a day to day basis by the Headteacher who reports to Governors each term.
