Form B – Parent consent to administer short term non-prescription ad-hoc medicines

As per the Managing Medicines Policy, a small stock of standard paracetamol and antihistamine will be kept by the school for administration if symptoms develop during the school day. The school will not administer medication held on the school site unless this form is completed and signed. This information will be kept securely with your child's other records.

If further information is needed we will contact you. Please do not hesitate to contact the school if there are any issues you wish to discuss.

| Child's Name | Date of Birth |
|--|---|
| Gender | Year Group / Class |
| Pupils will be given a standard dose suitable to their age and weight. If it is before 12.00 noon the school will contact you to confirm if medication has already been given. For further information on when medication can be given, please see the Managing Medicines Policy. You will be informed when the school has administered medication by email. | |
| The school holds a small stock of the following medicines: | |
| Paracetamol (Calpol 6+) for the relief of pain, i.e. headache, migraine, period pain | |
| Anti-histamine (Piriton) for mild allergic reaction. This will not be administered for hayfever symptoms; if your child suffers from hayfever please ensure that they have their medication before school. | |
| | t you give your consent for the school to administer during inistered these medicines in the past without adverse effectes to this consent. |
| Signature (parent/car | er) Date |

Learning and achieving together
